I'm?

I'm a dinosaur. I'm obsolete!
I'm an eight track cassette, rewind, erase, delete!
I'm last year's model. I can't compete
I'm 3/5 in Virginia. I'm incomplete
I'm throwing up a white flag. I'm except defeat
I'm anti matter and I'm Idol chatter
I'm one Gillette away from a Pollack splatter
I'm the grey matter in white hands
I'm an alien on these sands
I'm pariah in my motherland
I'm reduced by slavery's hand
I'm no longer an African
I'M JUST A black man,
