Dreaming…A World Born Anu

Kwadwo Gyasi Nkita-Mayâla
1/23/05

27 mothers spread cross 3 continents
3 groups of 9
The first in Abibiman[⊕]
S-p-r-i-n-k-l-e-d round equatorial heartlands
Beating out ancient ancestral rhythms
The second to the East
S-c-a-t-t-e-r-e-d long pacific basins
Made colorful with dreamtime resonance
The third to the West
S-p-r-e-a-d o-u-t on both sides the muddy waters
Flowing with soulful syncopations

27 mothers spread cross 3 continents
3 groups of 9
Crouching cornrow-to-cornrow
Each in their 27th year
Each giving birth to their 3rd child

After
3x4 months of promise-filled carrying
And
4x3 hours of pain-filled labor
36 heads emerge from 27 Black wombs into
18 receiving Black hands
Midwifes
No artificial lights
No
None here
No latex touches rushing to perform ceremonial castrations

Just…
Naked skies
Mountains

[⊕] The land/nation of the Blacks

Trees
Flowers
Flowing springs
Birds singing songs of
Akwaaba[⊕]
To these living Suns…
Born at last
Born Anu

Living Suns
Warm with glowing radiance
Strong
No stillborns among um'
9 single girls
9 single boys
9 sets of complementary twins

All blessed with sight
All blessed with clairvoyant inner-vision
Fresh from their womb-world
189 fresh eyes meet, blink
Glance to and fro'
Then…
126 eyes close
The remaining 63
Exactly 1/3
Hone in, gain focus, look deep

144 small/powerful limbs stretch
Mothers and Suns embrace…
Like Seeds and Trees exchanging fertile promises of continuation

Then…
With suddenness
Vibrating Echoes
Beating Tones
Ancient ancestral rhythms
Colorful dreamtime resonances

[⊕] You have gone and come

Slow/fast soulful syncopations
Blast
Like lightning and thunder
Igniting open skies

Then…
The fires rest
Subsiding to coolness
Calm winds caress
Living Suns born Anu
Shining/Radiating with fresh knowledge of what they must do…

Standing
Children of the first 9
Run with untiring speed
With unshakable purpose
Earth trembling under their feet

Diving
Children of the second 9
Swim with unsurpassed swiftness
With unwavering determination
Tidal waves forming under the power of their mighty stroke

Rising
Children of the third 9
Fly with unmatched balance and grace
With fire forged tenacity
Golden wings hurling Typhoon winds behind them

Then…
Calm

36
Running
Swimming
Flying
Suns
All traveling in the same direction
Traversing earth, sea and air

Moving at the speed of light
Reach their destination…at last

Encircled by 9 luminescent rainbows
36 Living Suns
The children of 27 mothers
No longer separated
Smile
Born Anu
Shining/Radiating with fresh knowledge of what they must do…
Converge
Be
1
A-Gain
