(English version:)

Fight, my friend, fight
To free yourself, fight
Fight 'til death, fight
Even after that, fight,

Fight, my kinfolk, fight
To know yourself, fight
Fight 'til destruction, fight
Even after that, fight,

Rebel, my friend, rebel
To protect yourself, rebel
Rebel 'til victory, rebel
Even after gaining victory, rebel,

Rebel, my kinfolk, rebel
To reject evil government, rebel
Rebel to be righteous, rebel
Rebel, my kinfolk, rebel,

Dare, my elder, dare
To protect your people, dare
Dare to revolt, dare
Dare, my elder, dare,

Dare, my young one, dare
To avenge, my young one, dare

Dare to avenge, dare

Dare, my young one, dare,

Avenge, my people, avenge!

To fulfill Our duty, avenge

Avenge til victory, avenge

Avenge, my people, avenge

Avenge, my people, avenge...

Revolt, my people, revolt

Revolt to make things straight, revolt

To follow Our path, revolt

Water does not forget it's path, revolt

Revolt to Avenge! Revolt!

Revolt to Avenge, Revolt!

Avenge Our Ancestors, Avenge!

Avenge Ourselves, Avenge!

Avenge, my friend, Avenge,

If WE revolt, also, avenge,

Revolt, my friend, revolt,

Avenge, my friend...avenge!

Fight, my friend, fight

To free yourself, fight

Fight 'til death, fight

Even after that, fight...
